Subject : **Aarati Neupane**

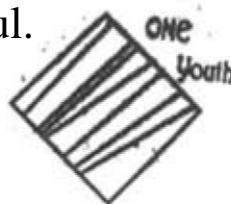

This letter is a verification that Mrs. Aarati Neupane has been working in our organization from 1st November, 2017 to July 18, 2021 as a project co-ordinator.

She was responsible for the project Education Infrastructure Development which involved building computer lab, library and supporting rural children with educational resources in Far West Nepal.

During this period, she seemed to be a polite, honest, sincere and hard-working employee of this organization. We would like to wish her best for her future career endeavors.

If you need additional information, Mrs. Neupane can provide it to you. She can also provide you with brief project and program details if necessary. Please feel free to contact me personally, if you have further queries.

I hope this information is helpful.

Warm Regards,
